

Homework 1, Stat 221, due Tue Jan 23, in the beginning of class.

1. List the names and email addresses of two other students in this course.

2. From the textbook, problems 1.3, 1.10, 1.19, 1.20, and 1.27.

On problem 1.10, where it says "and autocorrelation function  $\gamma(h)$  at some time in the future", it should say "and autocovariance function  $\gamma(h)$  at some time in the future".
