Homework 1, Stat 221, due by Wed Jan 20, 3pm pacific standard time.
Please submit your homework to statgrader@stat.ucla.edu .

1. List the names and email addresses of two other students in this course.

2. From the textbook, problems 1.3, 1.10, 1.19, 1.20, and 1.27.

On problem 1.10, where it says "and autocorrelation function $\gamma(h)$ at some time in the future", it should say "and autocovariance function $\gamma(h)$ at some time in the future".
