Cars' fuel Efficiency data

This data set studies the fuel efficiency for automobiles; it comes from the ASA Data Exposition data set (1983) collected by Ernesto Ramos and David Donoho.

Table 5. Regressors description for Cars data

y	miles per gallon		
x_1	number of cylinders	x_4	vehicle weight
x_2	engine displacement	x_5	acceleration
x_3	horsepower	x_6	model year
